OF THE AMENDMENTS  
UNDER ARTICLE 19

Amendment of Claims Under Article 19

2. (Amended) The axial-flow fan with double impellers as defined in claim 1, wherein the front blades are curved in a transverse cross section of the front blades as taken along a direction parallel to the axis so that concave portions thereof are open toward the one direction;

wherein the rear blades are curved in a transverse cross section of the rear blades as taken along a direction parallel to the axis so that concave portions thereof are open toward the other direction; and

wherein the stationary blades are curved in a transverse cross section of the stationary blades as taken along a direction parallel to the axis so that concave portions thereof are open toward the other direction and toward a direction in which the rear blades are positioned.

6. (Amended) The axial-flow fan with double impellers as defined in claim 5, wherein the front blades are curved in a transverse cross section of the front blades as taken along a direction parallel to the axis so that concave portions thereof are open toward the one direction;

wherein the rear blades are curved in a transverse cross section of the rear blades as taken along a direction parallel to the axis so that concave portions thereof are open toward the other direction; and

wherein the stationary blades are curved in a transverse

cross section of the stationary blades as taken along a direction parallel to the axis so that concave portions are open toward the other direction and toward a direction in which the rear blades are positioned.
